

Mitchell P. Harmon Memorial Scholarship Foundation

Scholarship Application

Application Overview

The Mitchell P. Harmon Memorial Scholarship Foundation was established in 1988 to create a tribute to Mitch, a 1979 graduate of Churchill High School who succumbed to cancer at the age of 28. The Foundation was originally created to grant advanced educational scholarships to senior football players from the Woodland Hills High School who wished to pursue further education opportunities. Since its inception the Foundation has expanded its mission to open up this opportunity to all Woodland Hills High School senior athletes participating in any varsity or club sport.

The Scholarship this year for each recipient will be in the amount of \$7,500 and will be awarded to 2 young athletes.

Since its inception, the Foundation has granted in excess of \$110,000 to deserving applicants that demonstrate a balance of academic achievement, civic activities and financial need. The applicant need not play any sport in college or other advanced degree program to be eligible for the award. All applications will be screened by the Scholarship Selection Committee. The Scholarship will be presented at the Woodland Hills High School annual athletic award ceremony in the Spring. Upon award, the Scholarship will be forwarded by the Foundation directly to the student's education institution.

The Foundation is very happy to be able to make two awards annually, We look forward to assisting deserving young athletes at Woodland Hills High School to further their education.

For further information regarding the Scholarship feel free to contact the Foundation at the address below or inquire at the Guidance Counselor's Office.
